I said i'd never make you cry  
When you did i didn't even try  
To wipe your tears away  
I didn't know you hurt so bad  
Cause you just always seemed so mad  
You say your something i can't fix  
Well just watch me try

Cause i wanna live  
I wanna live  
Live like i was dying

Gunna jump out of a plane  
Drive a hundred miles on hour in a single lane  
Just to be next to you  
I may not always do things right  
But i'm goddamn well gonna try  
Youre just to much lose  
There's some things beyond repair  
We just aint one of them

Cause i wanna live  
I wanna live  
Live like i was dying  
Cause i wanna live  
I wanna live  
Live like i was dying

I'll do my best, understand  
Not cause you ask because i wanna be  
Everything you need in me  
Darling give me one more chance  
Before you close the door

Gonna love hard as i can to  
Put a ring on your left hand

Cause i wanna live  
I wanna live  
Live like i was dying  
Yeah i wanna live

I wanna live  
Live like i was dying

Oh i wanna live  
Were gonna live  
Like we were dying
