[Bridge]

Miss Pinocci, oh oh oh

Miss Pinocci, oh oh oh

Miss Pinocci, oh oh oh

Miss Pinocci, ohhh

[Verse 1]

Man she lied to me

On the hunt for love and she my prodigy

Love is blind, she can see

Evil oxygen she can breath

Me I suffocate like J. Holiday

If love was Mexican I be like andale

But it's American, it wants war

Bombs at your door do I really want more?

Scars on my wound, blood on my tomb

This sensation kills smack me back into my womb

Call of Duty, why can't this woman shoot me?

Cut my chest in half throw my heart at your feet

So you can trip but your ass and fall for me

Fell three times and you standing up

I'm still a sitting duck

[Hook]

Gave you everything you were my life

I thought of you baby day and night

You were the one to meet me down the aisle

Bitch you lied to me and broke my heart

2x

[Verse 2]

Drove to her heart baby took the pink slip

Had it going straight baby pushed the stick shift

Driving me insane lost control of the clutch

Master in this bitch shawty was a dutch

Yeah she had me rolled tried to rock the boat

But the water was passed high had to over float

Into the ocean, cease all the commotion

If my appearance really bad as Shrek give me the
potion

It is what it is you lied to me boo

Lets make it all better and rock like Patrick do
Saw you my whole school life here's my diploma
Excuse my persona every prince needs his Fiona

[Hook]

5x

[Bridge]

2x
