The walls are closing, the ceilings falling down
Whatever you doing don't turn around now
I got ha stuck, trap, you know where she's at
Re-Re-Re-Re-Rewind's World
2x

[Verse 1]

On the road riches trying to find the entrance
No I aint heist brong it back to the essence
Got in the race already first place
Just's last name man all I do is Blaze
The fire you can trace, left you in a daze
Smacked you in the face eyes lower than a fade
Cut my hair off, again and again switch the style
All these looks make you think I'm Ben 10
Sneaking out to parties now they sneaking on me
Telling me to come through make it do what I do
New Sound, I'll make some New Sound with ha too
Not that scary looking but she calling me ha boo
Shawty head crazy you'll think she had lice
I just drop it, pop it, lock it, like I'm rolling out the dice
That's the life
I got ha stuck, trap, you know where she's at

[Hook]

[Verse 2]

Yea I party and I'll bull shit
No-tor-ious-ly I'll do it
With a cup in my hand not knowing where I stand
S-s-siping on soda that coke a cola
Lean back like ts, no bs, N, S, 1 to the 3
Mami tired of the usual I'll do it differently
Rewind on the sheets
She a vegan but I'll give ha that beef
B-b-b-beat it up
She my baby girl make a mess cla-cla-clean it up
Sweep ha up, mop ha down
Caution sign, on the ground
Do it on, ever aisle

Got the meat, you got the pound
Burger king, I got the crown
Thought I let you know better grab on tight
Best night of your life
Trapped in Rewind's World no it aint a lie
Look back at the Earth it's time to say good bye
