Now I wish I had a tv-set built in my eyes
And everytime you would make me cry I know I could
just watch another show
And I wish I had a cd-player in my ears
And I'd listen to the music I'd like to hear
And I'd go see every band with a remote control in my
hand
And I wish the birds were fish
And I wish had a four-wheel drive in my heels and
Everytime I feel the tension grow I could just get of the
road
And I wish I had a central heating system in my head
And I wish I was someone dead, at least I know
someone a long time ago
And I wish the birds were fish
And I wish I had you back in my life
That it all turned into another life
Baby I got news, baby I got loose
And I wish the birds were fish
And I wish, take with me a ..
