(Youre) gonna ride on a bus going nowhere

But always some place youve been

Gonna sleep in a bed by your lonesome

Phone your kids, cheap calls, weekends

Gonna eat just what you are given

And always be right on time to leave

cause this heres a bus going nowhere

Leastways no place you aint been

So why ride it in the first place?

Aint no penitentiary

I guess the music is the reason and the key

for me

It take the blues to see

Gonna work wherever they send you

And be glad whenever they call

Gonna ride this bus going nowhere

cause to me its the place with it all

So why ride it in the first place?

Aint no penitentiary

I guess the music is the reason and the key

for me

It takes the blues to see

So why ride ..
