"Come On In"

Come on in to my kitchen
Sit down on the floor
Come on in, come on in
Its going to be raining outdoors
Come on in to my parlour
Said the spider to the fly
Come on in, come on in
You can have a little fun before you die
You know I want you
You want me too
Come on in
Ill tell you what to do
You got to come on in to my boudoir
Well turn the lights down low
Come on in, come on in
Ill show you everything I know
You know I want you
You want me too
Come on in
Ill tell you what to do
You got to come on in to my boudoir

Well turn the lights down low

Come on in, come on in

Ill show you everything I know

I said come on in, come on in

Ill show you everything

Ill show you everything

Ill show you everything I know
