me a paper free me from these chains

Sign me a paper free me from these chains

Well its been 12 long years since I sold my soul away

And for those 12 long years someones gonna have to
pay

Found me a lawyer gonna end my slavery

Found me a lawyer gonna end my slavery

Im gonna ask some heavy questions gonna hit them to
the ground

Im gonna ask some heavy questions make their heads
go round and round

Aint no salvation for a poor boy in this town

Aint no salvation for a poor boy in this town

Well the lawyers take your money and the company
your life

Yes the lawyers take your money while the suits just
twist the knife

Oh yes the lawyers take your money while the suits just
twist the knife

Dont let the suits come get you dont let them grind you
down

Dont let the suits come get you dont let them grind you
down

Dont let the suits come get you dont let them grind you
down

Dont let the suits come get you dont let them grind you
down
