Intro:

I'm sick and tired being alone

I think I need someone

I need a girl like you

Someone like you girl

Verse:

Necesito alguien

Alguien que me lleve ver

La estrellas yeah

Alguien que me quiera

Para yo quererla y me valore

Just come and show me

That you want me

Just believe in me

And you'll see

Que yo busco alguien

Que me quiera

Yo te puedo dar un corazon girl

Chorus:

Girl I need a girl

Alguien que me quiera

Alguien que me quiera

Girl I need a girl

Baby I need you

Girl you need me to

Verse:

I never thought that I couldn't find

A girl of my heart I search for

A girl with a feeling don't never lie

And I promise you

I'll be on your side

Uh huh

No hay nadie como tu

We can do it and always try

I can show a lot from what I know

And you know what I mean

Ven aquí y dime si tu eres

Solo cree en mi, y veras que

Que yo busco alguien

Que me quiera

Yo te puedo dar

Haha

Yu sabes de lo que hablo

Girl I need a girl

Alguien que me quiera

Alguien que me quiera

Girl I need a girl

Baby I need you

Girl you need me to

Donde sea que yo este

Baby girl I be searchin for the only one

The only girl that will have

And never get hurt yes

But I never had found someone

Who relly loves me

And that's what I'm searching for to see

Somone that can be my shawty
