(ad lib)
Boy, i just wanna be
Your everything
I'll do anything for you
All you gotta do is just let go
And we can flow
I know that you've been hurt before
But i can't get with you
If you close the door
The night i gave my love to you
Was about what i felt
In my heart for you
You're the one i love
So don't even trip
I will never creep
Like the others did
You're the one i love
Baby, it's like that i will never stop
'cause i know what i got
You make me wanna give
It all to you
And keep it real. for true
I know that you see
We have so much
So baby. trust
(* repeat with ad lib)
(** repeat 2 times with ad lib)
You're the one
You're the one i love
You're the one
And keep it real
Baby, you're the one -
(* repeat 3 times with ad lib)
