Jesus Loves you

Jesus Loves you
Don't be fooled by Bad Religion
Say A Prayer
Maybe you'll be forgiven

You can worship Satan
Any asshole can
But even he can't save you
When the judgement day's at hand

Jesus Loves You
Don't be fooled by Bad Religion
Say A Prayer
Maybe you'll be forgiven

You can take my advice
Only time will tell
Or you can live your own life
Or you can burn in hell

Jesus Loves You
Don't be fooled by Bad Religion
Say A Prayer
Maybe you'll be forgiven

Jesus Loves You
Burn in hell
Jesus Loves You
Burn in hell
