Stoned & Lazy

Stoned and Lazy
didn't used to seem so bad
Never did worry about
the things we didn't have,

Take a walk
don't know where
Let you know
when I get there
Trouble comes
trouble goes
Ask him
I think he knows

Lose a job
twist of fate
No one said
it would all be great
Factories come
and factories go
Everyone's
got a friend named Joe, and

Stoned and Lazy
didn't used to be so bad
Never did worry about
the things I didn't have

Time has passed
what'd I miss
Only fools
end up like this
All my life
up in smoke
Someone tell me
this is all a joke, cause

Stoned and Lazy
didn't used to be so bad

Never did worry about
the things I didn't have
