Weight Of The World

I spent time  
in the womb of a woman  
Who didn't know her name

I bear the cross  
of some other someone  
Just to take the blame

I reek of rancid  
Retribution  
I got to pay my way

So don't confuse  
my misconception  
as any reason to stay

I'm read my rights  
in a guilt ridden world  
made to protect your fears

I feel the steel  
like a spike in my arm  
it's not all it appears

My soul my mind  
My life is in my hands  
and I'm a step off the pace

Got the weight of the world  
on my shoulders  
won't someone take my place
