Oh, I'm coming around to see you
I'm whistling and smiling in the pouring rain
Oh, I'm coming around to see you
My head is floating high in the fast lane

She said
I couldn't think of anything to say
(Yeah yeah)
I couldn't think of anything to do
(Anything to do)
Can you wait another day?
(Wait another day)
Can you wait another day?
(Wait another day)

Oh, I'm coming around to get you
I'm the little silhouette drifting across your street
Oh, I'm longing to hold you
I'm whispering lovely words in the evening heat

She said
I couldn't think of anything to say
(Yeah yeah)
I couldn't think of anything to do
(Anything to do)
Can you wait another day?
(Wait another day)

Can you wait another day?
(Wait another day)

I couldn't think of anything to say
(Yeah yeah)
I couldn't think of anything to do
(Anything to do)
Can you wait another day?
(Wait another day)
Can you wait another day?
(Wait another day)

I couldn't think of anything to say

(Yeah yeah)
I couldn't think of anything to do
(Anything to do)
Can you wait another day?
(Wait another day)
Can you wait another day?
(Wait another day)

I couldn't think of anything to say
(Yeah yeah)
I couldn't think of anything to do
(Anything to do)
Can you wait another day?
(Wait another day)
Can you wait another day?
(Wait another day)
