John Lodge)

Something you can't hide

Says you're lonely

Hidden deep inside

Of you only

It's there for you to see

Take a look and be

Burn slowly the candle of life

Something there outside

Says you're only

In the hands of time

Falling slowly

It's there for us to know

With love that we can go

Burn slowly the candle of life

So love everybody

And make them your friends

So love everybody

And make them your friends

Something you can hide

Says you're lonely

Hidden deep inside
Of you only
It's there for you to see
Take a look and be
Burn slowly the candle of life
Something there outside
Says you're only
In the hands of time
Falling slowly
It's there for us to know
With love that we can go
Burn slowly the candle of life
