John Lodge)

Listen, hear the sound

The child awakes

Wonder all around

The child awakes

Now in his life

He never must be lost

No thoughts must deceive him

IN life he must trust

CHORUS

With the eyes of a child

You must come out and see

That your world's spinning 'round

And through life you will be

A small part of a hope, of a love that exists

In the eyes of a child you will see

Earth falls far away

New life awaits

Time, it has no day

New life awaits

Here is your dream

And now, how does it feel

No words will go with you

And now, what is real?

CHORUS
