Ray Thomas)

Floating free as a bird

Sixty foot leaps, it's so absurd

>From up here you should see the view

Such a lot of space for me and you

CHORUS

Oh, you'll like it

Gliding around, get your feet off the ground

Oh, you'll like it

Do as you please with so much ease

Now I know how it feels

To have wings on my heels

To take a stroll among the stars

Get a close look at planet Mars

CHORUS

Bouncing about on the moon

Guess you'll all be up here soon

The candy stores will be brand new

And you'll buy rock with the moon right through

CHORUS
