Ray Thomas)

My boat sails stormy seas

Battles oceans filled with tears

At last my port's in view

Now that I've discovered you

CHORUS

Oh I'd give my life so lightly

For my gentle lady

Give it freely and completely

To my lady

As life goes drifting by

Like a breeze she'll gently sigh

And slowly bow her head

Then you'll hear her softly cry.

CHORUS

Words that you say when we're alone

Though actions speak louder than words

But all I can say is I love you so

To drive away all my hurt

CHORUS

Set sail towards the sun

Feel the warmth that's just begun

Share each and every dream

They belong to everyone

CHORUS
