Ray Thomas)

Salt water never grew roses

Seems roses can't grow in the sea

A river can fashion a valley

From a thousand sweet drinking streams

I am (built in the image of the Father)

I am (from the outside looking in)

I am the son (but inside is a different place)

Yes I am (beautify earth -- and scream, I AM)

I am the son

Yes I am the son of love

I am

Born in time when eyes could see

What's written in the stars

Freedom was ever

And ever was never far

I am (I am)
