Justin Hayward)

I know you're out there somewhere
Somewhere somewhere
I know I'll find you somewhere
And somehow I'll return again to you

The mist is lifting slowly
I can see the way ahead
And I've left behind the empty streets
That once inspired my life
And the strength of the emotion
Is like thunder in the air
'Cos the promise that we made each other
Haunts me to the end

CHORUS

I know you're out there somewhere
Somewhere somewhere
I know you're out there somewhere
Somewhere you can hear my voice
I know I'll find you somehow
Somehow somehow
I know I'll find you somehow
And somehow I'll return again to you

The secret of your beauty
And the mystery of your soul
I've been searching for in everyone I meet
And the times I've been mistaken
It's impossible to say
And the grass is growing
Underneath our feet

CHORUS

The words that I remember
>From my childhood still are true
That there's none so blind
As those who will not see
And to those who lack the courage

And say it's dangerous to try
Well they just don't know
That love eternal will not be denied

CHORUS

You know it's going to happen
I can feel you getting near
And soon we'll be returning
To the fountains of our youth
And if you wake up wondering
In the darkness I'll be there
My arms will close around you
And protect you with the truth

CHORUS
