John Lodge)

Just beacause it's raining here

It doesn't mean the sun isn't shining

Somewhere else for someone

You have loved

But who's not near you anymore

CHORUS

When your love is on the run

Don't fall apart at what's begun

It's just the healing process

Of your heart

When your dream has lost its cause

Don't waste your time in closing doors

YOu'll be the last to know

When love has gone

Love is on the run

Love is on the run

Love is on the run from me

Love is on the run

Love is on the run

Love is on the run from me

Couldn't find the words to say I love you

Couldn't fight the hurt of holding on

Couldn't hope

Couldn't dream

Couldn't see tomorrow

Without your love

I can't go on

Love is on the run

Love is on the run

Love is on the run from me

CHORUS
