Justin Hayward)

A wonderful day for passing my way

Knock on my door and even the score

With your eyes

CHORUS

Lovely to see you again my friend.

Walk along with me to the next bend.

Dark cloud of fear is blowing away

Now that you're here, you're going to stay,

'Cause it's

CHORUS

Tell us what you've seen in faraway forgotten land

Where empires have turned back to sand.

Wonderful day for passing my way.

Knock on my door and even the score

With your eyes.

CHORUS
