Meet Me Halfway

Never dream't I would hope

While I count the miles

Through the wind and the rain

I can see your smile.

There ain't no turning back

I can see it in the distance

Got it in my sight.

Like a vision, like a face

Coming out of the sky

You were there, not a dream

You were there in my eyes.

There ain't no turning back

I can see it in the distance

Touch it through the night

Driving into the light

When I'm on mi own

When I'm all alone.

Won't you meet me halfway

Won't you meet me halfway

Is it a dream
Is it a dream coming true?
Meet me halfway.
Like a vision, like a face
Coming out of the sky
You were there, not a dream
You were there in my eyes.
There are no words to say.
I can see you in the distance
Hear you through the night
Ain't no easy way
When you're on your own
When you're all alone.
Won't you meet me halfway
Won't you meet me halfway
Is it a dream
Is it a dream coming true?
Meet me halfway
