I'm a melancholy man, that's what I am

All the world surrounds me and my feet are on the  
ground

I'm a very lonely man doing what I can

All the world astounds me and I think I understand

That we're going to keep growing, wait and see

When all the stars are falling down

Into the sea and on the ground

And angry voices carry on the wind

A beam of light will fill your head

And you'll remember what's been said

By all the good men this world's ever known

Another man is what you'll see

Who looks like you and looks like me

And yet somehow he will not feel the same

His life caught up in misery, he doesn't think like you  
and me

'Cause he can't see what you and I can see

I'm a melancholy man, that's what I am

All the world surrounds me and my feet are on the  
ground

I'm a very lonely man doing what I can  
All the world astounds me and I think I understand  
That we're going to keep growing, wait and see  
When all the stars are falling down  
Into the sea and on the ground  
And angry voices carry on the wind  
A beam of light will fill your head  
And you'll remember what's been said  
By all the good men this world's ever known  
Another man is what you'll see  
Who looks like and looks like me  
And yet somehow he will not be the same  
His life caught up in misery, he doesn't think like you  
and me  
'Cause he can't see what you and I can see
