I'm going to sing my song

And sing it all day long

A song that never ends

How can I tell you, all the things inside my head.

The change in these past years

Has made me see our world

In many different ways

How can I tell you, love can change your destiny.

CHORUS

Love can change the world

Love can change your life

Do what makes you happy

Do what you know is right

And love with all your might

Before it's too late

Where did I find all these words

Something inside me is burning

There's life in other worlds

Maybe they'll come to earth,

Helping man to find a way.
