Sailing along

The river of time

Adrift on dreams

Through midnight chimes

Positively frozen

Crystal waterfalls

The mountain of hope

Is there to be climbed

The sea of serenity

Is rightfully mine

Step on to the water

Knowing what is true

CHORUS

Never blame the rainbows for the rain

And learn to forget the memories

That cause yo pain

The last whispered wish of age

Is to live it all again

So never blame the rainbows for the rain

The beat of my heart

The rhythm of love  
The earth that's beneath us  
The heavens above  
I can hear forever  
Calling out to me  
The changes we go through  
Are making me strong  
The shelter of friendship  
Is where we belong  
Look into the future  
Knowing what we see

#### CHORUS

The whirlpool of doubt  
Can spin you around  
The wave of emotion  
Takes you up  
Pulls you down  
Leaving far behind us  
Sweet young passion's spray

#### CHORUS
