Justin Hayward)

Work away today, work away tomorrow.

Never comes the day for my love and me.

I feel her gently sighing as the evening slips away.

If only you knew what's inside of me now

You wouldn't want to know me somehow,

But

You will love me tonight,

We alone will be alright,

In the end

CHORUS

Give just a little bit more

Take a little bit less

>From each other tonight

Admit what you're feeling

And see what's in front of you,

It's never out of your sight.

We all know it's true,

You know it's true,

We all know it's true.
