Nights in white satin, never reaching the end

Letters I've written, never meaning to send

Beauty I'd always missed, with these eyes before

Just what the truth is, I can't say anymore

'Cause I love you, yes I love you, oh, how I love you

Gazing at people, some hand in hand

Just what I'm going through they can't understand

Some try to tell me, thoughts they cannot defend

Just what you want to be, you will be in the end

And I love you, yes I love you

Oh, how I love you, oh, how I love you

Nights in white satin, never reaching the end

Letters I've written, never meaning to send

Beauty I'd always missed, with these eyes before

Just what the truth is, I can't say anymore

'Cause I love you, yes I love you

Oh, how I love you, oh, how I love you

'Cause I love you, yes I love you

Oh, how I love you, oh, how I love you

{Epilogue, spoken}

Breathe deep in the gathering gloom

Watch lights fade from every room
Bedsitter people look back and lament
Another day's useless energy's spent
Impassioned lovers wrestle as one
Lonely man cries for love and has none
New mother picks up and suckles her son
Senior citizens wish they were young
Cold-hearted orb that rules the night
Removes the colors from our sight
Red is grey and yellow white
And we decide which is right
And which is an illusion
