Michael Pinder/John Lodge)

Gazing past the planets, looking for total view

I've been laying here for hours

You've got to make the journey out and in

Wonders of a lifetime right there before your eyes

Searching with this life of ours

You've got to make the journey out and in

Out and in, out and in

If you think it's a joke, that's all right

Do what you want to do

I've said my piece and I'll leave it all up to you

Wonders of a lifetime right there before your eyes

Searching with this life of ours

You've got to make the journey out and in

Out and in, out and in

If you think it's a joke, that's all right

Do what you want to do

I've said my piece and I'll leave it all up to you

Gazing past the planets, looking for total view

I've been laying here for hours

You've got to make the journey out and in

Out and in, out and in
