Mike Pinder)

There in your eyes, I see

That you want to be free

There by your side, I'll be

If you still want me

Please think about it (Think about it)

I need your love

I'm no good without it (Think about it)

Please think about it (Think about it)

Give me your love

I can't live without it

Oh no

Never leave my side

Baby please decide

I'm in love with you

I hope you want me too

Don't go

Say there's nothing wrong

Stay where you belong

I'll be good to you

That's all I wanna do

Instrumental

Please think about it (Think about it)

I need your love

I'm no good without it (Think about it)

Please think about it (Think about it)

Give me your love

I can't live without it

Oh no

Never leave my side

Baby please decide

I'm in love with you

I hope you want me, too

Don't go

Say there's nothing wrong

Stay where you belong

I'll be good to you

That's all I wanna do

So, if you have to go

I won't stand in your way

But, if you decide to stay

I will be your guide

Please think about it (Think about it)

I need your love

I'm no good without it (Think about it)

Please think about it (Think about it)

Give me your love

I can't live without it

Oh no

Don't go
