John Lodge)

When the fantasy we live in
Lies in pieces on the ground
And there is no false illusion
That can turn your heart around
Nothing can change the way I feel
Nothing can take your love from me
If only I didn't worry
If only I could see
If only I could see

CHORUS

Chasing shadows on the wall
Chasing shadows as they dance on the floor
Chasing dreams that were forever young
Now I'm on my own
Chasing shadows on the wall
Shadows on the wall
On the sea of mediocrity
Drifting from a distant shore
No goodbyes no celebration
No-one there to close the door

Only the silence that I feel

Only the lonely road is real

If only I didn't lose you

If only we could be

If only we could be

CHORUS
