Simple Game

As time goes by

you will see

that we're going to be free

you and me

we'll touch the sky

and you see in your mind's eye

that we are one

we're all the same

and life is just a simple game

do do do

do do do

do do do

there by your side

I will be

when this crazy world is free

free from doubt

when it finds out

exactly what we're meant to be

that we are one

we're all the same

and life is just a simple game

do do do

do do do

do do do

thoughts of another day

flashing through my head

thinking how life could be

all of the things that a brave man has said

be what we want to be

what we deserve to be

what we are meant to be

do do do

do do do

do do do

as time goes by you will see

that we're going to be free

you and me

we'll touch the sky

and you see in your minds eye

that we are one

we're all the same

and life is just a simple game

do do do

do do do

do do do

we're gonna be free

do do do

do do do

do do do

do do do

do do do

do do do

we're gonna be free

(go away.....
