Justin Hayward)

The day we meet again,

I'll be waiting there,

I'll be waiting there for you.

'Cause the years have been so lonely,

Like a dog without a home.

It's dangerous when you find out,

You've been drinking on your own.

The day we meet again,

We will walk in peace,

Through the garden down the road.

Where the mist of time is lifting,

See it rising in the air.

Like a shadow I was chasing,

When I looked it wasn't there.

Oh no.

Just in case you're wondering,

What was really on my mind.

It wasn't what you took, my love,

It's what you left behind.

And just in case you're wondering,

Will it really be the same?

Will it really be the same?

You know we're only living for,

The day we meet again.

So hold on, and don't let go, Hold... On... Don't...

Time heals, you know, I know. Time... Heals... You know...

The day we meet again,

I'll be waiting there,

I'll be waiting there for you.

'Cause the years have been so lonely,

Like a dog without a home.

It's dangerous when you find out,

You've been drinking on your own.

The day we meet again,

We will walk in peace,

Through the garden down the road.

When the mist of time is lifting,

See it rising in the air.

Like the shadow I was chasing,

When I looked, oh no, it wasn't there.

Oh no, it wasn't there,

It wasn't there. Hold on baby don't let go.

It wasn't there.

Oh no, oh no, oh no.

Come on baby, never let go,

Come on baby, never let go.
