The Atmosphere

On the streets tonight

Is the driving beat

Of the world

The word down here

On the streets tonight

Is the truest music

You've heard

So take your share

Of the gifts that are there

They all belong to you

And come what may

At the break of each day

We all begin anew once more

We all begin anew

Baby, baby, baby, let's investigate

The other side of life tonight

The lovers and the fighters

And the risks they take

Are on the other side of life tonight

Let's lose our way
Go completely astray
And find ourselves again
You know the only way to get there
Is to take that step
To the other side of life tonight
The Atmosphere
On the streets tonight
Is the driving beat
Of the world
The word down here
On the streets tonight
Is the truest music
You've heard
So take your share
Of the gifts that are there
They all belong to you
And come what may
At the break of each day
We all begin anew once more
We all begin anew
Baby, baby, baby, let's investigate
The other side of life tonight
The lovers and the fighters
And the risks they take

Are on the other side of life tonight

Let's lose our way

Go completely astray

And find ourselves again

You know the only way to get there

Is to take that step

To the other side of life tonight
