Watching and Waiting

watching and waiting

for a friend to play with

why have I been alone so long?

morning is borrowing his way to the sunlight

he knows there's someone there so strong

cuz here there's lots of room for doing

the things you've always been denied

look and gather all you want to

there's noone here to stop you crying

soon you will see me, cuz I'll be all around you

but where I come from, I can't tell

but don't be alarmed

by my fields and my forests

they're here for only you to share

'cuz here there's lots of room for doing

the things you've always been denied

look and gather all you want to

there's noone here to stop you crying

watching and waiting for someone to understand me

I hope it won't be very long
