Graeme Edge/Justin Hayward)

There's a leafless tree in Asia  
Under the sun there's a homeless man,  
There's a forest fire in the valley,  
Where the story all began.

What will be our last thought  
Do you think it's coming soon  
Will it be of comfort,  
Or the pain of a burning wound.

#### CHORUS

All we are trying to say is  
We are all we've got  
You and me just cannot fail  
If we never never stop.  
Ah! Never stop.

You're an ocean full of faces,  
Aand you know that we believe  
We're just a wave that drifts around you,  
Singing all our hopes and dreams.

We look around in wonder  
At the work that has been done,  
By the vision of our father,  
Touched by his loving son.

#### CHORUS
