Ice Cream Honey Comb Cherry Sundae
Sugar Baby Cinnamon Berry Sorbet
Tastin Like Cake Cut On Your Birthday
But It's Not 4 Everybody (Nope)
It's Not A Buffet

Said It's Not 4 Everybody (Nope)
It's Not A Buffet [x4]

RichGirl Get It U Can Get It 2
Holdin Every Card Like Poker Players Do
Lookin Out The Corner Of My Eyes 2 Make Sho
There Ain't Nothin About 2 Pop Off On The Low

The Girls In The South They Get The Boys Inspired
Sparklin The Night Time Like A Bon Fire
The Booty And The Eyes And Lips Is All Real
But Tips On My Nails Sometimes That's A Deal Boo

Ice Cream Honey Comb Cherry Sundae
Sugar Baby Cinnamon Berry Sorbet
Tastin Like Cake Cut On Your Birthday
But It's Not 4 Everybody (Nope)
It's Not A Buffet

Said It's Not 4 Everybody (Nope)
It's Not A Buffet [x4]

The Candy's In My Hand Probably Want Some
My Mama Said Share But Keep Hid Is More So I
Keep It 4 Fall And I
Keep It 4 Winter But In
Spring I Might Bust It Out
Just So That U Remember

Me And My Crew Get It Ooh No We Not Beginners
Ladies Doin Wat U Do Make The World Surrender
Ain't It A Pity I Stay So Griddy Can't Give Him No
Time Even Though We Got History

Ice Cream Honey Comb Cherry Sundae

Sugar Baby Cinnamon Berry Sorbet
Tastin Like Cake Cut On Your Birthday
But It's Not 4 Everybody (Nope)
It's Not A Buffet

Said It's Not 4 Everybody (Nope)
It's Not A Buffet [x4]

All My People On The East Coast Scream It Scream It

All My People On The West Coast Scream It Scream It
Out If Up In Here
All My People Over Seas If U With Me Scream It Out If Up
