How to love me (repeats)
Do you know how to love me?

Hard to kiss
Hard to touch
Hard to find you
I'm getting way too much
As time goes by
Sun and tears
Fear to not
It's harder staying
What am I doing?
Am I being stupid stuff on us
When you were showing me love

Chorus

Show me baby
Do you know?
How to love me
Prove me wrong
Show me now
Don't take too long
I'm gone if you don't know
How to love me (repeats)
Do you know?
How to love me (repeats)
Do you know?
How to love

Hard to learn
Hard to teach you
Hard when I feel
Like I need you
Are you blind
Can't you see that I need you
Show me with time
Show me by your touch
I wanna feel you
Close to your heart
Show me you know

Hoe to love
Show me

Chorus

Do you know
How to love me
Well show me
Cause I don't think you know
I don't think you know
How to love me
Show me
(repeats)

Chorus
