[All:]

Yeah, yeah, yeah, yeah, yeah, yeah, y-y-yeah

Yeah, yeah, yeah, yeah, yeah, yeah, y-y-yeah

Yeah

[Lyndriette:]

It's so funny how hard you try

Lookin' like

It's alright

That I want you close to me

Yeah, and I saw my phone (?)

Over on

Can't keep 'em showin' I'm

Movin' the way that I do

And if you wanna try to deny

Look at every eye followin' me around the room

They're just patiently waitin'

For the moment I'ma set it off

Watch me how I'm movin' in a circle babe

[All:]

whined it up

Woo, woo, woo, woo, woo, woo

[Lyndriette:]

In a circle, babe

[All:]

whined it up

Woo, woo, woo, woo, woo, woo

Movin' in a circle tonight

So make sure the boys can go wild when they look at us

I'll let 'em know

[Lyndriette:]

I'm workin' on my circles

Watch

[All:]

whined it up

Woo, woo, woo, woo, woo, woo

Yeah, yeah, yeah, yeah
Yeah, yeah, y-y-yeah
Yeah, yeah, yeah, yeah
Yeah, yeah, y-y-yeah

[Lyndriette:]
You better wind it up
Oh, wind it up

[SeVen:]
Do you hear what I'm sayin?
My body keep talkin?
But my mouth is gon? stay shut
You see the picture I'm paintin?
The 808's my chemist and these hips are my paint
brush
And when I swirl them in the circle
Get to mixin? all them colors
Your emotions they start to change (yeah)
And all them boys they wanna buy it
But they can?t afforded my picture its just out of there
price range

[Audra:]
Ohhh, oh-ohhhhh
There?s so much that I want to show
I'm givin? everything and more
Round we go
Round we go
Round we go
In a circle baby

[All:]
Whined it up
Woo, woo, woo, woo, woo, woo

[Audra:]
In a circle, baby

[All:]
Whined it up
Woo, woo, woo, woo, woo, woo
Moven' in a circle tonight
So make sure the boys can go wild when they look at us
I'll let ?em know
Workin? on my circles
Just wind it up
Woo, woo, woo, woo, woo, woo
Moven' in a circle tonight
So make sure the boys can go wild when they look at us
I'll let ?em know

Workin? on my circles
Just wind it up
Woo, woo, woo, woo, woo, woo

[Audra:]
Ohhh, oh-ohhhhh
There?s so much that I want to show
I?m givin? everything and more
