[Verse 1:]

Whatever it is I fell in love with it
Can't put my finger on it but I know, I know I want it
Whatever it is I don't think that I can breath
I try, I try to fight it but there's no, there's no denying.
Your like a sickness that has taken over me
No pills no medicine can bring me back again
Even the doctor said that I should take a leave,
They've never seen it before.

[Chorus:]

Lately I've been having pains in my chest (chest)
And it hurts when I breath ohhhhhh
You got my heart beating a thousand miles per hour
Something's wrong with me yea
I'm afraid your contagious,
I just can't take it, I don't think I'm gon' make it.
Cause you got me love sick, I think I'm love sick
You got me love sick.
Baby your loves draining me.
Oh yea baby your love is draining me.

[Verse 2:]

Call up my family & tell them I'm not going well,
Cause since you left It feel like a prison or in a cell
But I don't need no medicine
Just another dose of him.
Baby please give me your love again.

[Chorus:]

Lately I've been having pains in my chest (chest)
And it hurts when I breath ohhhhhh
You got my heart beating a thousand miles per hour
Something's wrong with me yea
I'm afraid your contagious,
I just can't take it, I don't think I'm gon' make it.
Cause you got me love sick, I think I'm love sick
You got me love sick.
Your love is draining me.

[Bridge:]

My palms are sweaty, my legs are weak.
My body's shaking I can hardly speak.
Can't be without you, I can't breath without you
I can't live without you.
Baby I'm sick without you

My palms are sweaty, my legs are weak.
My body's shaking I can hardly speak.
Can't be without you, I can't breath without you
I can't live without you.
Baby I'm sick without you

[Chorus: Until fade]
