If you in the spot?
You can do this
Put your hands up top to the music
Just wave, wave, wave
Just wave, wave, wave

[Chris Brown:]
Hey pretty lady what's your name
Got a pretty little body, I just wanna say
Do you have some time for you to come play
And baby I know the perfect place

[RichGirl:]
Hold up, wait little daddy
Think that's the way to get at me?
There ain't no need to go on and on

[Chris Brown:]
What do you mean I'm going on and on

[RichGirl:]
Boy I know your trying to get in my jeans
Be a cold day in hell, that's not happening

[Chris Brown:]
But I, I just came for love,
girl that ain't me hold up (ain't trying to beg for none)
Girl I know other guys they're not quite like me,
Don't know how to do good and treat you right like me
But I will...

[RichGirl:]
Boy your not gonna get my
Let's see how far you gon get
Ain't no other guy been there yet
I usually smile and wave, wave, wave, wave

[Chris Brown:]
I'm gon get this far as you let it,
girl I can promise that you won't regret it

[RichGirl:]

I usually smile and wave, wave, wave, wave

Hey baby boy, you got me

[Chris Brown:]

Do I?

[RichGirl:]

Thinking to my self, you're sexy

I don't know what'cha you gon do, if I start to push up
on you

[Chris Brown:]

Hold up, wait little mama

Do you finna you can deal with the showstopppa

[RichGirl:]

Boy you ain't impressing me

[Chris Brown:]

That's not what I'm trying to do

[RichGirl:]

So why are you pressing me

[Chris Brown:]

[RichGirl:]
