Auuuu oh! Huaah!

I don't believe the things I heard today.
Here comes Mr. Politician Man. They try to make him
look all nice and clean, but he got blood upon his
hands.

Time to believe it, you can't change the world unless
you try.
Come on, everybody, raise up all your hands and touch
the sky, huaah.

I can't believe the things I saw today. These lies to cost
now
comes the pain. I got a good idea: let's take all the
haters and
shoot 'em all to outer space.

Time to believe it, you can't change the world unless
you try.
Come on, everybody, raise up all your hands and touch
the sky.

I can't believe the things I read today. The paper said
we'd
gone insane. It's same story the whole world over, they
say
the people ain't got no brains.

Time to believe it, you can't change the world unless
you try.
Come on, everybody, raise up all your hands and touch
the sky.

Time to believe it, you can't change the world unless
you try.
Come on, everybody, raise up all your hands and touch
the sky.
Touch the sky. (Touch the sky.) Touch the sky. (Touch
the sky.)
Touch the sky. (Touch the sky.) Touch the sky. (Touch

the sky.)

Touch the sky. (Touch the sky.) Touch the sky. (Touch
the sky.)

Touch the sky. (Touch the sky.) Touch the sky. (Touch
the sky.)
