Your eyes are arrows
I let them pierce me
I like the pressure
I like the feeling
Don't slow down
I don't need reasons
I tell you faster
I tell you hurry

And you said
"Don't you think that maybe we're just
A little off base, a little out of line"
As I said "Nobody really has to know"
Now you're mine, now you're mine

We're not falling in love
Say whatever you want
No don't hold back oh don't do that
Tell me nothing's wrong
We're not falling in love
Say whatever you want
Don't call me back I don't need that
But don't keep me waiting too long

My head's a heartbeat
Pounding frustration
Echos your answers
Dull recitation
What's wrong now
You've lost me lately
I'm a mistake dear
Why don't you make me

And you said
"Don't you think that maybe we're just
A little off base, a little out of line"
As I said "Nobody really has to know"
Now you're mine, now you're mine

We're not falling in love
Say whatever you want

No don't hold back oh don't do that
Tell me nothing's wrong
We're not falling in love
Say whatever you want
Don't call me back I don't need that
But don't keep me waiting too long

We're not falling in love
Say whatever you want
No don't hold back oh don't do that
Tell me nothing's wrong
We're not falling in love
Say whatever you want
Don't call me back I don't need that
But don't keep me waiting too long
