I'm as good as a bookmark  
I'm just holding her place  
You'll want to learn her again  
Then you'll throw me away

Yes, I know  
This is all just so

Simple and sad  
Like a delicate song  
You're just humming your tune  
And I'm singing along  
I am so  
Completely composed  
By you

So go right ahead  
Keep collecting your stones  
They will weigh you down  
They will burden your bones

Spend all your time looking  
For what you'll never find  
I will stay out of your life  
If you'll stay out of mine

And I'm sure that she's something  
So lovely and sweet  
And I'm sure you'll destroy her  
The way you'll destroy me

I'm a fool to be falling  
I am so far removed  
And I don't belong to you  
But you still kiss me like I do  
Like I do

And I'm pressed like a flower  
Between both your covers  
And you spun me a story  
In which we were both lovers

But oh, I already know

It will never be so

It will never be so
