Take your time
Go on
Think of what you've gotta say
I doubt I'll listen anyways
Change your mind and turn
You're so quick to walk away
You tremble on your wooden legs

Cause I know your kind
Know your type
Darlin', yes, I do
I know your kind
Know your type
And you never change

It's meaningless
All parts and limbs
And we are moving just like marionettes
Moving just like marionettes
Hung on their threads

Move your mouth
You talk
And untangle all your strings
But your courage is unraveling
Feed my doubt
We walk but we don't say anything
I'm the fool that wears the golden ring

Cause I know your kind
Know your type
Darlin', yes, I do
I know your kind
Know your type
And you never change

It's meaningless
All parts and limbs
And we are moving just like marionettes
Moving just like marionettes
Hung on their threads

Why does it always seem to come to this?
Find the fault lines in my innocence?
Give myself over to my loneliness
My loneliness
Alone
Alone

It's meaningless
All parts and limbs
You turn your head
And I pull back
You take my hand
And we are moving just like marionettes
Moving just like marionettes

Take your time
Go on
Think of what you've gotta say
