(Alla)
Mango nights
Mango nights

Mango nights - gimme gimme the delight
Oh la ya - oh la ya
Mango nights - feel the fever in the air
Ya ya ya - ya ya yeah
Mango nights

(Emma)
Wanna feel this emotion now forever
And this place is a potion for my soul, yeah
(Frida)
I feel so sensual
Come let me make you strong, yeah yeah

(Alla)
Mango nights - gimme gimme the delight
Oh la ya - oh la ya
Mango nights - feel the fever in the air
Ya ya ya - ya ya yeah
Mango nights

Mango nights
Mango nights

(Frida)
Gotta see if the heat goes on forever
Cause the heat is awakening in my mind, yeah
(Emilie)
I feel invincible
Come let me make you strong, yeah yeah
