(Emilie)

I just wanted to see the world
To be free and to fly like a bird
You gave me wings and let me fly
Now I'm sorry that I left you there to cry

(Refr ng, alla)

I need you tonight
My baby, baby blue
I'm still in love with you
My baby, baby blue

(Frida)

I don't think I realized (I don't think I realized)
I couldn't see what was there inside of me

(Emma)

Cause you filled my empty spaces baby
Now I'm sorry that it had to end this way

(Refr ng, alla)

I need you tonight
My baby, baby blue
I'm still in love with you (I'm still in love with you)
My baby, baby blue

My baby, baby blue

I'm still in love with you (I'm still in love with you)
My baby, baby blue

(Emilie)

I get so lonely on my own sometimes

(Frida)

Oh baby, I don't now what's going on (what is going on)

(Emma)

Head over heels and inside out
You twist and turn my world around

(Refr ng, alla)

I need you tonight
My baby, baby blue (baby baby blue)
I'm still in love with you

My baby, baby blue

My baby, my baby, baby blue

I'm still in love with you (I'm still in love with you)

My baby, baby blue (baby baby blue)
