Everyone is gonna go at some point  
That huge breakpoint  
From the world  
And hurled into the spirit-world

It's my time  
I gotta get away  
It's my doomsday  
Just let me go  
Don't worry you'll always have my photo

I know it ain't easy  
It may sound sleazy  
That this is our goodbye  
And I know you may cry

It's my time  
I gotta get away  
It's my doomsday  
Just let me go  
Don't worry you'll always have my photo

I'll be happy so why not you?  
Are you scared that I'll be see-through?  
Or is it because it's our last farewell?  
I know it's quite a bombshell

It's my time  
I gotta get away  
It's my doomsday  
Just let me go  
Don't worry you'll always have my photo

I'll miss you all  
But I have to heed my call  
And go forever  
And see you never

It's my time  
I gotta get away  
It's my doomsday

Just let me go  
Don't worry you'll always have my photo

It's my time  
It's my time  
It's my time...
