All I know is that I'm here
In this world, oh what a world
War, beauty, death and happiness
What do you believe?

Life is hard, yeah
It always will be
And sure I'm not perfect
But who is?
I didn't ask to be born
So why am I here?

Pain and death across the globe
It effects us all
So get used to it
You'll die and so will I

Life is hard, yeah
It always will be
And sure I'm not perfect
But who is?
I didn't ask to be born
So why am I here?

Oh why, why, why
Why am I here in this world?
Oh what a world

Life is hard, yeah
Yes it is
Life is hard
So get used to it

Why am I here?
Please tell me why!
