I know I ask a lot of questions
This one's about your actions
Why do you do this to me?
Why are my clothes so bloody?

I'm askin' you why! ?
Oh please tell me why! ?
This may not have to be goodbye
Even though you ask me never to reply

Why do you hurt me so! ?
Sometimes I even pray for that deathblow
Or just shoot me with your gun
I wish there was a self destruct button

I'm askin' you why! ?
Oh please tell me why! ?
This may not have to be goodbye
Even though you ask me never to reply

You seemed so nice when I first met you
But after the ring my life turned blue
Everytime I hung the rope
Your answer rid my life of hope

I'm askin' you why! ?
Oh please tell me why! ?
This may not have to be goodbye
Even though you ask me never to reply

Every second I wish for death
That last and final breath
Any person would rather jumping off the edge
Then forever standing on that crooked ledge

I'm askin' you why! ?
Oh please tell me why! ?
This may not have to be goodbye
Even though you ask me never to reply
Please tell me why?
Please tell me why?

Please tell me why?...
