You run, have fun  
With Kero by your side  
You are the one  
Who will find the cards in time

She's just an ordinary girl  
In a magical world  
Now she's on the trail of trouble  
(And the adventure's just begun)

Your powers may grow  
Each time you win  
But you blush head to toe  
When you catch sight of him  
(Fire! Wind! Lightning! Water!Go!)

She's Just an ordinary Girl  
In a magical world  
Now she's on the trail of trouble

One day you'll find your whole life has changed  
Act quick  
Be brave  
Your heart will show you the way

(The Adventure's just begun)

She's Just an ordinary girl  
In a magical world  
Now she's on the trail of trouble

(Fire! Wind! Lightning! Water!Go!)

She's just an ordinary girl  
In a magical world  
now she's on the trail of trouble
